July 22, 2014 - Are you interested in growing your business through contracting with the federal government? We are excited to be hosting workshops for businesses to get certified for government contracts and contracting at Thomson Prison.

The workshops will be held on consecutive Thursdays, 8/21, 8/28 and 9/4 at Manny's in Savanna, IL from 10:00 a.m. - 1:00 p.m. The cost is \$15 for each workshop which includes lunch. Vicky Miller, C.B.S., Director, Illinois Procurement Technical Assistance Center (PTAC), Black Hawk College, will be presenting the steps to take for your business to bid on government contracts.

Upon successful completion of the three workshops, your business will be ready to accept solicitations from the government, the single largest consumer of goods and services within the United States.

The workshops feature a special lunch appearance via video by Cathi Litcher, former Activation Coordinator for the Bureau of Prisons. Cathi will answer questions about the potential activation of Thomson prison.
